Etruvia will remain in this port

their arrival.

Sues New Haven Road for \$10,000

In the return of papers to the New Saven superior court for the September term is the suit of Susie Patten Armstrong of Wayne, Pa., for \$10,000 damages alloged to have been caused by the accident to the White Mountain express at Greenwich, a year ago ust June. The defendant is the New Saven railroad.

Big Factory Combine Coming in Bristol

Bristol. Sept. 8.—Announcement is of the aviation work of the British war Office, broke all records for aero-plane speed to-day by flying across that that company and the Briscompany that that company and the Bristol Engineering company will consolidate on October 1 next, with a capital stock of \$1,500,000. The New Departure company will absorb the other and will give the Engineering corporation stock holders seven per cent. preferred stock share for share. time was caught by several watches. Cody used an aeropiane of his own construction, a machine which he says balances itself automatically. There is some doubt regarding the speed reported but the flight has aroused great enthusiasm and has tended to rehabilitate Cody in the good graces of the War Office after it seem-

Students Out Again Advance Guard Back

Haven, Sept. 8.—The first coninsent of the returning Yale students
arrived in town a few days ago, a
considerable army coming back to take
up the work of surveying required in
the civil engineering course at the
scientific school before the opening of
the year. In addition there are quite
a few students back who are trying
to make up conditions by tutoring in
anticipation of the examinations which
will be held late in the month. Some
also are freshmen who have come to
complete their examinations or to try
again.

The members of the surveying class found themselves in wrong Monday for while the rest of the world was enjoying a hollday they were taken out to Yale field and there required rvey the field in connection with

REPUTED POLICY OPERATORS PAY FINES AND ESCAPE JAIL

In the criminal Common Pleas court ate yesterday, Judge J. F. Walsh im-osed fines of \$100 and costs and jail posed fines of \$100 and costs and jail sentences of 60 days in the cases of John Carpenter and Andrew Farrell, each charged with being implicated in the conduct of a policy game. At the last session of the court the prosecutor, Elmore S. Banks, gave warning that in future cases of this character he would ask that jail sentences be dealt out and he did make that recommendation vesterday.

dealt out and he did make that recommendation yesterday.

Dr. J. C. Lynch, family physician for Mr. Carpenter, informed the court that if the accused was committed to jail he would owing to his present infirmities be subjected to grave danger and cossibly his illness might terminate fatally. Attorney E. O. Hull, who represented Mr. Carpenter, asked the court to impose a fine in view of the statement of Dr. Lynch, and Judge Walsh did so not only in the case of fararpenter but also in the case of Far-

The Law Enforcement League was The Law Enforcement League was represented by Attorney Chapman, and it said it would be satisfied if jail sentences were imposed and judgment euspended, as it considered that the policy game had been practically wiped out in this city. Judge Walsh then ennounced the judgment of the court which carried with it a suspension of the tail sentences. ne jail sentences.

FIRST MONARCH TO PAY HOMAGE TO EXPLORER COOK

The King of Denmark was the first ruler to honor Dr. Frederick A. Cook on his return from the pole. All Copenhagen went wild when the intrepid American reached there. King Frederick received him at the palace and entertained him at luncheon. The monarch said that the conquest of the pole had been the dream of Danish explorers for ages, but since Denmark could not have the honor of the discovery he was glad that America had gained it. It was announced on the day the first bulletin of Cook's achievegained it. It was announced on the day the first bulletin of Cook's achieve-ment was received that the King would decorate the explorer.

FIREMEN ASK FOR SAME PAY AS POLICEMEN

Work More Hours and Receive Smaller Salaries is Plea Made.

RESOLUTION BY GRIFFIN

A resolution recommending the grad ing of the firemen and also a substan tial increase in salaries was introduced last night at the meeting of the common council by Alderman John M. Griffin. The resolution was referred to the ordinance committee.

graces of the War Office, after it seemed that he was losing favor by reason of the notable advances of other na-The resolution is to the effect that tions.

Cody had a narrow escape from serious injury by the giving out of his petrol while the aeropiane was flying 300 feet above ground. The engine stopped suddenly and the machine plunged toward the ground at an alarming angle. Twenty feet from the ground, a few drops of petrol that remained in the tank were washed into the feed-pipe by the movement of the aeroplane and the engines immediately started. This bit of good luck checked the downward swoop and permitted Cody to bring his machine to a safe landing. after April 1, 1910 the permanent drivers, hosemen, stokers, linemen, laddermen and tillermen shall be divided into three grades, A. B., and C. All permanent drivers, hosemen, linemen, laddermen and tillermen shall serve the first year in Grade C, the second in Grade B, and every year after that in Grade A. On April 1 each permanent driver, hoseman, lineman, ladderman and tillerman who is a member of the regular force shall be placed in whichever grade he is entitled to be according to his length of service before April 1, 1910. The resolution also gives the Board of Fire Commissioners the right to remove a man from a higher to a lower grade for punishment.

All the foregoing is in the first secarch was required before a final more time a final ers, hosemen, stokers, linemen, ladder-

tion of the resolution. The second section deals with the change in salaries. The recommendations are as follows: Grade A. \$1,200; Grade B. \$1. 100; Grade C, \$1,000; captains and engineers, \$1,400; lieutenants, \$1,300.

Another section recommends that a permanent firemen acting as carpenpermanent firemen acting as carpen-ter or blacksmith shall receive \$150 in addition to his salary.

A petition was received from the members of the Chemical Co. at House No. 1, asking for an increase in pay.

This petition will be laid on the table

time since Mayor Henry Lewis held the office of chief executive in city hall, a foreign nation's ship of war will come into New Haven harbor this week and Mayor Martin will offer the welcome of this city to the naval warriors of Italy, the nation which has so many sons represented in this city. Consul Riccio has received word that the fifth-class cruiser, Etruvia of the Italian navy, which is in American waters paying a visit to seaboard cities, especially where there are a large number of Italian residents, will visit this city this week. When asked regarding the visit the consul said he was not sure just when the ship would awaiting the disposal of Alderman Griffin's resolution. Statements showing the comparison between the salaries of the firemer and policemen were passed among the Aldermen. Although the hours of the policemen are one-third as many as those of the firemen their salaries at

FLY OVER BOSTON

FLY OVER BOSTON

The employment was composed chiefly of those who visited the city
last year, with Mabel Wilbur as the
young and merry widow. She sang
the title role in excellent voice and
was most ably supported by the graceful Charlesworth Meakins as Prince
Danilo. R. E. Graham who played
the role of Popoff, the Marsovian Ambassador, in the original New York
company and who appeared here last
year, was the same clever comedian
whose every word brought with it a
laugh. Mr. Nish, his messenger, was
also played by one long accustomed
to the part, Arthur Wooley. A change
in the east was found in the part of to the part, Arthur Wooley. A change in the cast was found in the part of Natilie, the Ambassador's wife, which was sung this year by Julia Brewer, whose youthful appearance was less in keeping with the part of an aged ambassador's wife than that of Miss Thompson, who sang so well last year. Camille De Joiidon, the "tweedler" of the Ambassador's wife, could scarcely be classed as a dramatic tenor. He had no dramatic power and his voice, while sweet, lacked the necessary volume for so large a theatre. His pres-Boston, Sept. 8.-Glenn H. Curtiss, winner of the Prix De La Vitesse at Rheims in the great international airer" over Boston next month, for "Boston 1915" exposition. Curtiss, who will leave Brescia Sept. 15, will make but one more series of flights before coming to Boston. Af-ter his trials at the Brescia aviation ume for so large a theatre. His pres-ence was far from magnetic, and so a role that could be made much of was role that could be made much of was left weak and limp. Charles Edward Wright, as the Marquis Caseada, made much of a small part. His work in "Women, Women, Hang the Women" was about as clever a bit of comedy as one could wish to see. Nova Kovich was played by a new comer, F. J. McCarthy, but the role did not suffer by the change. hibition nearly wrested the privilege

J. McCartny, but fer by the change.

The girls from Maxim's were not the same fair maidens who graced last production. At that time it year's production. At that time it was difficult to duplicate the chorus for beauty, but now that quality is possessed by the minority. Last night was but the third performance of the was but the third performance of the company for this season's tour, and for that reason the opera was not completed until 11:30. The delay was not noticeable to the audience for with few exceptions the leading roles were played with a vim and dash that pleased. The discriminating audience pleased. The discriminating audience seemed to realize that the famous waltz was by no means the one feature of the opera, the interest in which is sustained throughout. The singing of "Women, Women, Hang the Women," by the eight principals in the male roles was apparently the hit of the evening as they were recalled again and again. The waltz, however, is as popular as ever and was repeatedly
